TECHNICAL SHEET

INTER EURO
MOTORS

AUTOMOTIVE & MARINE

The flagship of the Trimarchi range pairs distinctive lines with generous outdoor comfort and carefully finished details.

A double cabin occupies the bow, with a smaller cabin beneath the companionway. The separate bathroom includes a pull-out shower.

The aft sunbathing area sits beside a sink, hob and refrigerator. Walkways on both sides lead forward to an exceptionally spacious sunpad. The hull is designed for confident performance on the water.
