

Marg 23

TECHNICAL SHEET

INTER EURO
MOTORS

AUTOMOTIVE & MARINE

Marg 23 is designed for longer escapes. A double cabin and separate toilet make weekends on the water possible.

The deck makes thoughtful use of space, with a hob and sink beneath the helm seat. A generous forward sunpad is complemented by seating that follows the windscreen.

Length

7.00 m

Beam

2.50 m

Weight

1300 kg

Engine power

150 / 300 HP

Persons

9

Certification
